

# Is Your Organization Prepared for a Flu Pandemic? Turn to the Ashtabula County Chapter of The American Red Cross for Help.

[0]

**Register now for  
one of our four  
morning  
seminars.**

**Oct. 26<sup>th</sup>, 27<sup>th</sup>, 28<sup>th</sup>  
or 29<sup>th</sup>**

**8:30 am -11 am**

**(440) 998-1020**

**FACT: In June 2009, the World Health Organization (WHO) raised the pandemic alert level to Phase 6—a designation indicating that a global pandemic is underway.**

Countries worldwide are reporting cases of H1N1 Influenza. In response to this global pandemic, the American Red Cross is disseminating new resources to:

- Educate people about how to prepare for and respond effectively to pandemic flu.
- Aid in business sustainability in the face of pandemic flu.

Pandemic flu can suddenly, quickly incapacitate any organization: small business, large business or a community-based organization. That's why it's so critical to take steps to educate your employees or individuals affiliated with your organization about how they can protect themselves against a flu pandemic, which helps ensure a safer environment for everyone.

- **Seminars are sponsored by Red Cross and Growth Partnership**
- **\$10 per person....pre-registration required**
